Ordering & Installation Instructions for a 10mm Tempered Glass Scenic Railing System		
Ordering the glass scenic posts		
1. 10mm Clear Tempered Glass Polished and Bevelled SPECIAL ORDER ONLY - Item code for specific 10mm size. Used for Surface Mount or Fascia Mount Posts		
2. Glass size is ordered at 1 1/4" wider than opening between the two posts. Example: For 38" opening between posts plus 1 1/4" = 39 1/4" glass size must be ordered.		
3. All special order glass is delivered in a wooden crate. Each crate can hold 1 to 10 pieces of glass. The charge is \$150 per crate. Ex: Order has 12 pieces of glass = 2 crate charges for total of \$300. (Item code 9N21)		
4. Allow a minimum of 3-4 wks delivery.		
5. All special order glass is non cancellable, non returnable.		
Installation		
Remove pyramid caps from Scenic posts. Apply soapy water to lubricate the rubber fins on glass insert. Two people required to insert glass panel.		
Slide glass down through top of posts into glass insert leading the glass with a blunt object or finger spreading the rubber fins inward. If glass is not seated properly, post caps may not fit. Re-install pyramid post caps to secure glass. Reference Century Aluminum for full installation instructions.
